Letter—from D A D Aitchison, Esq, Principal Madras Veterinary College
To—the Secretary to the Commissioner of Revenue Settlement Survey, Land Records and Agriculture
Dated—the 7th October 1911
No—Dis 629

In reply to the Board's Reference No 2549, dated 14th September 1911, I have the honour to state that I consider Native States sending scholars to the Madras Veterinary College should meet the full charge of their education in the said college for the following two reasons —

(1) The Native States receive the benefit of the men when qualified, because they return there for service At present all the expense to which the Native States are put is a monthly stipend of Rs 15 per scholar

(2) In order to obtain the services of qualified Veterinary Assistants, the Madras Government has to meet the expenses of supporting a Veterinary College and it is only equitable that Native States sharing the benefit of the Madras Veterinary College should contribute towards the tuition of their scholars

In this connection, a question arises with reference to the fee to be charged to such States It was found that Rs 240 per year was the average cost to the Madras Government of each student passing through the college I have, however, been in correspondence with the Principal of the Bombay Veterinary College, and I find that the students from Native States who attend the Bombay College pay a fee of only Rs 60 *per annum*, but then all students attending that college pay a similar fee Under these conditions existing in Bombay, it is just possible that if the yearly fee of Rs 240 were charged to Native States they might send all their students to Bombay At first sight such an eventuality may appear unimportant I regret to state, however that I would deplore the loss of the Native State scholars to this college, as they are invariably the best students and matriculates

Resolution—Mis No 3615, *dated* 26*th October* 1911

The letter from the Principal, Madras Veterinary College, read above is submitted to Government with reference to their Memorandum No 2104-E/11-1, dated 7th September 1911

2 The Board considers that students who are admitted from Native States and who do not execute the agreement and furnish the bond required under G O No 3594, Revenue, dated 12th November 1910, in favour of Government should pay the full cost of their education which has been fixed at Rs 240 *per annum* in paragraph 2 of the Government Order quoted above Free tuition is given with a view to train men for service under Government if Government require them It is reasonable that Native States should similarly bear the cost of educating the students sent by them

Dated—the 27th November 1911

Adverting to Board's Reference No 3155, dated 20th November 1911, I have the honour to state that the fee of Rs 240 proposed to be recovered from Native State students does not include lodging The monthly rent of a room in the hostel is Re 1

Resolution—Mis No 4276, *dated* 21*st December* 1911

With reference to the Memorandum from Government read above, the Board would invite attention to the correspondence printed in G O No 3594, Revenue, dated 12th November 1910, from which it will be seen that the amount of Rs 240 was fixed by Government as the cost *per annum* of the education of a student at the Veterinary College The Board is not aware how the amount was arrived at At the same time it considers that no additional charge for lodging in the college hostel need be made The Principal reports that the rent of a room in the Veterinary College Hostel is only Re 1 per month and the Board's proposal involves only a sacrifice of Rs 12 *per annum*
